CITY OF QUINCY Financial Goals

FISCAL YEAR 2018 GENERAL FINANCIAL GOALS

During our budget process, the City seeks to adopt a budget with long-term financial policies in mind. These policies are designed to provide a framework for the administration to plan for future budgetary needs and to improve our City's financial position.

The budget was formed utilizing the following financial goals:

- -Maintain the city's projected year end general fund unassigned balance (i.e. "Cash Reserve Fund") to 10% of the General Fund operating expenses. This accomplishes the four year goal of building our cash reserve fund to 10% of expenses. An adequate level of fund balance is essential to reduce potential and current risks (i.e. shortfalls in revenues and unanticipated expenditures) and ensures a stable cash flow.
- The City should maintain a balanced budget under normal conditions. A balanced budget is defined as a budget where estimated revenues equal estimated expenses during a single fiscal year.

 A balanced budget shows prudent use of the City's resources and helps instill fiscal stability. This year's budget includes funding the police and fire pensions at the actuarial versus state rate leading to an additional pension cost of \$1,007,479, of which \$762,300 is to be funded from fund balance. Without this added \$762,300 payment, the General Fund would have delivered a \$115,000 operating surplus.
- **-Set a minimum level of funding for capital spending.** The City will set aside a minimum of 25% of revenues derived from the Purchase Tax to ensure long-term investment in the City's infrastructure.
- -Adopt a 5 Year Comprehensive Infrastructure Plan (CIP) on an annual basis. The CIP is a statement of the City's long and short-term capital improvement plans. The short-term is the first year of the CIP, which is incorporated into our annual operating budget. The long-term goal of the CIP is to provide for adequate funding to meet long term capital needs as determined by our citizens, alderpersons and administration. This Comprehensive Infrastructure Plan can be found in the Appendix of this document.

CITY OF QUINCY OPERATING REVENUES

PURPOSE

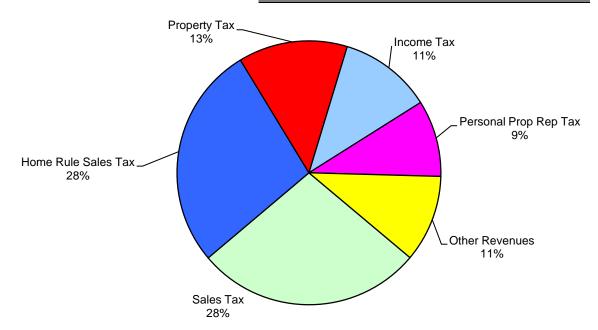

The purpose of the City of Quincy Operating revenues and expenditures is to give a view of all revenue sources available to the General Fund, Reserve Fund, and Capital Projects Fund. Eventhough the General Fund is the primary operating fund of the City, it is important to consider the entire revenue stream available.

OPERATING REVENUES

The City of Quincy's primary revenue source is sales tax, which includes the local home rule sales tax, also called "purchase tax". About 55% of the City's revenues are derived from sales tax. Since the City initially implemented the Purchase Tax in 1991, changes have occured over the years that have allowed for the purchase tax to be used for operational needs as well as for the original intended use of capital infrastructure and debt service. The property tax revenues listed below are the General Fund revenues and do not include the property tax levy for debt service.

Assumptions:

- Tax Levy revenue based on EAV growing by 2% with no change in rate, less debt obligations, plus SSA
- Sales Tax assumes 1% growth for FY 2018 followed by slight increase over the next five years.
- PPRT projected at 0.21% increase (assuming state's 2016 over-allocation error starts to level out)
- Income Tax projected conservatively at \$98.44 per capita, below IML projection of \$101.00 per capita
- Use Tax projected at IML projection of \$25.30 per capita. FY16 was first full year of Amazon sales tax

Note: Salaries/Benefits 5 yr avg is 1.45%, but for projections we are using a 2% increase Note: 5 yr Avg do not apply to Health Insurance, Pensions, Capital, and Debt Service

Assumptions:

- Annual GF expenses were grouped by category to determine historical increases from 2013-2017.
- The annual percentage increase was averaged from 2014-2018 to project next five years.
- The 5 year historical average was applied to the FY 2018 budget to project future expenses.
- The Police and Fire pension amounts are projecting an average of 6% increase per year

Operating Cash Balance Projections

The combined overall cash flow for General Fund, Capital Projects Fund, and Cash Reserve Fund are projected below utilizing the revenue and expense projections from preceding pages. The capital projects fund rarely spends the entire appropriation; the projections show spending the entire revenues generated in that year.

Fiscal Year Ending April 30:	2017	2018	2019	2020	2021	2022

The General Fund is the primary operating fund of the City. It accounts for the resources used to pay for the services traditionally associated with local government. Included are general administration of the City, police and fire protection, engineering, subsidy and tax transfers, and any other activity for which a special fund has not been created.

The General Fund's primary revenue source is Taxation. Public Service taxes such as sales tax and income tax makes up over 52% of general fund revenues. Property taxes are approximately 14% of revenues and fund the Library and pensions.

The Transfers In represent the revenue from the Purchase Tax Fund (75% of home rule sales tax) and transfers of Green Energy funding and Barge Dock funding.

The City is governed under the Mayoral/Aldermanic form of government. The legislative body of the City is the City Council. The Council is composed of fourteen aldermen, two from each of the City's seven wards, elected to serve four-year staggered terms. The City Council makes policy decisions necessary to maintain and enhance the health, safety and welfare of citizens and visitors to the City.

BUDGET SUMMARY

The Legislative Board budget is mainly made up of the salaries and benefits for the fourteen city aldermen. The main services used by the board is cell phone and ipad communication services. There is also some funding allocated for alderman travel to the annual Illiniois Municipal League conference. The budget for FY 2018 is planning an overall increase of \$3,138 or 1.34%.

Capital Outlay includes \$1200 for 3 new Aldermen I-pads.

The Executive Branch of city government is made up of the Mayor, City Treasurer and City Clerk. Each is elected at large to serve four-year terms.

GOALS/OBJECTIVES

- · Manage city resources with a focus on gaining efficiencies
- · Work with the City Council to develop long-term financial strategies for the city and city services
- Improve government operations and performance
- · Bring the City Council and the community together to form a new strategic plan for Quincy
- Represent the City in various intergovernmental activities, with news media, and in public relations meetings and events

PAST FISCAL YEAR HIGHLIGHTS

- In continuation and score carding of FY2017 highlights we continued the Quincy Promise Program and its positive results. The Quincy Promise Program successfully placed 27 students into John Wood Community College tuition free.
- Explored and worked with Chief Copley on the Quincy Turn-Around Partnership (QTAP) to expand the way we police and partner with our community.
- Continued to work with staff on insuring that we remain diligent on health care, work comp and risk management costs to insure that these areas of interest remain positive to our overall budget.
- Partnered with Adams County to successfully keep and build a new Adams County Jail and law enforcement center in downtown Quincy

BUDGET SUMMARY

The Mayors budget is down \$11,197 from last year's budget. The decrease is due mainly to a reduction in contractual services of \$3,430 and reduction in miscellaneous of \$4,000.

The treasurer's office is responsible for tracking and collecting the monies owed the city, investing idle funds and reporting to the council the financial status of the city. Money collected by the office is deposited daily and paid out from orders or vouchers properly signed by the city comptroller and mayor. All bank accounts are reconciled by the treasurer's office, while the comptroller's office produces all checks. Idle funds are reviewed daily and invested according to anticipated need. The treasurer is the custodian of the fire and police pension funds.

GOALS/OBJECTIVES

- To provide prudent investment of city funds in priority order of safety, liquidity, and rate of return.
- Deliver flexible and effective cash management.
- · Ensure accurate accounting of transactions.
- Provide accurate and timely financial information for the mayor and city council.
- Develop financial tools for assisting the mayor and city council in decision-making.
- Maintain highly motivated and productive employees.
- Implement an on-line bill pay program.

PAST FISCAL YEAR HIGHLIGHTS

On-line bill pay has been implemented for both water and invoice payments. The Local Debt Recovery Program now includes Utilities collection.

BUDGET SUMMARY

The treasurer's budget is up \$7,751 overall. This is mainly due to a increase in salaries of \$4,233 and a health insurance increase of \$4,205. The capital outlay includes replacing desks for staff and investment tracking software.

The City Clerk, an elected official, or her appointed deputy, attends all City Council Meetings, keeps records of its proceedings, and publishes it in booklet form weekly along with ordinances passed. The City Clerk is also responsible for Executive Session minutes and recordings. The City Clerk maintains an up-to-date copy of the Municipal Code. The Clerk also attests and seals all contracts, licenses, permits of the City, handles City elections every two years and notifies city License holders of renewal of licenses issued by the City Clerk yearly. The City Clerk also is responsible for the supervision of the City Hall Phone receptionist and those duties.

GOALS/OBJECTIVES

One new goal of the City Clerk is to develop a Procedural Manual.

PAST YEAR FISCAL HIGHLIGHTS

Retirement of City Hall Receptionist of 26 years Replaced with Highly Motivated/Productive Employee

BUDGET SUMMARY

The City Clerk overall budget has decreased \$5,574. Decrease is due to new employee salary less than previous employee salary. Captial Outlay of \$575 is for a new I-pad.

While working directly for the Mayor and the City Council, the Director of Administrative Services shares and oversees the responsibilities for the daily operations of the City. The Director serves the citizens of Quincy while working with the men and women who serve the community as city employees. The common mission is to maintain and enhance the quality of life for all Quincyans.

GOALS/OBJECTIVES

The Director of Administrative Services goals for the next fiscal year are:

- · Continue to monitor and improve the controls & liabilities undertaken or incurred by the City.
- Monitor expenditures of City departments in order to create efficiencies and transparency.
- Work with the State of Illinois in disaster prevention, preparedness, response and recovery.

PAST FISCAL YEAR HIGHLIGHTS

The former Director of Administrative Services left employment with the City and the buyback costs associated were paid out in FY 2017.

BUDGET SUMMARY

The DOAS budget has a overall budget decrease of \$10,310. While salaries are down \$12,165, and services are down \$1,350; benefits are up \$4,047.

The Purchasing Department is the office responsible for the acquisition of supplies, services, and construction in support of the operations of the Municipality. The Department is the entity within the Municipality authorized to issue Invitations to Bid and Requests for Proposal. The Department issues purchase orders, develops term contracts, and acquires supplies and services. The Department also oversees the disposal of all municipal surplus property and equipment.

The Purchasing Department is very conscious of its responsibility and accountability in the expenditure of public funds. Therefore, the Purchasing Department maintains a competitive bidding process in accordance with Federal and State laws, regulations, and Municipal ordinances.

GOALS/OBJECTIVES

- Review of current City contracts for potential cost saving measures.
- Implement strategic measures in order to analyze City purchasing habits.
- Review all contracts in order to safe guard City liability during the purchasing and implementation process.
- Review and rewrite the City purchasing manual to correlate with the City's current procurement process.

PAST FISCAL YEAR HIGHLIGHTS

In FY 2017 the purchasing department issued 33 bids, 15 Request for Proposals, and 1 Request for Quotes. The on-line bid/RFP process continues to see an increase in use; which allows more vendors immediate access to bid our services.

BUDGET SUMMARY

The Purchasing Budget has increased by only \$26. While there is a slight increase in salary, there is a decline planned for contractual services.

The Building Maintenance division covers the maintenance of the City Hall building (including the Police Department) and the City Hall Annex. The purpose of this division is contain all building maintenace costs in one division. One union employee performs the janitorial/custodial/maintenance duties. The other major costs are gas/electric and routine repairs and maintenance.

GOALS/OBJECTIVES

The FY 2018 budget proposes to make capital improvements such as:

- City Hall Annex window, wall, & floor repairs (resulting from a water leak)
- · Continue the window glazing/replacement at City Hall

PAST FISCAL YEAR HIGHLIGHTS

The major highlight of the FY 2017 budget was the start of the city hall window glazing/replacement project.

BUDGET SUMMARY

The budget for FY 2018 is down \$256,959 due to the window project from last year. There is a planned salary increase for the one 822 laborer.

The Comptrollers Office is responsible for financial operations of the city. The office oversees the general ledger and all accounting operations, maintains all payroll records and payroll processing, verifies invoices to purchase orders, and accounts payable processing. In addition, the Comptroller's office manages fixed assets, oversees debt management and financial reporting. The Comptroller's office is responsible for preparation of the annual city budget and monitoring such budget. The annual tax levy is also the responsibility of the comptroller. All permanent records, leases, contracts, and agreements are maintained by the Comptroller's office.

GOALS/OBJECTIVES

The Comptroller's Office goals for the next fiscal year are simple:

- Continue to find ways to promote fiscal transparancy
- · Continue implemention of EFT payments to save time and money.
- Cross train all staff to better serve internal and external customers.

PAST FISCAL YEAR ACCOMPLISHMENTS

- · Worked with auditors to ensure a timely annual financial report filing
- Worked with a new actuarial firm to provide GASB 45 statements
- · Coordinated the financing for the QPD relocation to the new jail building
- Started making EFT payments to payroll liability vendors

BUDGET SUMMARY

The Comptroller's budget is down \$3,333 from the previous fiscal year. Capital Outlay of \$2,000 is for standing desk trays and new office chair.

The Legal Department consists of three attorneys: Corporation Counsel, Assistant Corporation Counsel and City Attorney. As legal adviser to the Mayor, City Council, and all departments of the City, the Legal Department seeks to promote good, efficient and responsible government within bounds of federal and state constitutions and laws for all of the citizens of the City of Quincy. The Legal Department works to fulfill the duties and responsibilities incumbent upon local government for the citizens of the City.

GOALS/OBJECTIVES

- To provide excellent legal service to the various City Departments in as timely a manner as possible.
- To keep outside contractual legal services as minimal as possible.
- The Legal Department has assumed reponsibility for the legal portion of the fix or flatten program.

PAST FISCAL YEAR HIGHLIGHTS

The legal department only spend \$436 in outside contracted legal compared to \$2548 in FY 2016/17

BUDGET SUMMARY

The legal budget has an increase of \$1,264 from FY 2017 budget.

Authorized Fire & Police Commissioners	3	3	3	3		

The Board of Fire and Police Commissioners was created in May 1972. It consists of three members appointed by the Mayor. Board members are: Stephen Meckes, 3 Year Term; Kerry Anders, 3 Year Term; and Barry Cheyne 3 Year Term. The Board of Fire and Police Commissioners is charged with the responsibility of hiring and promoting sworn members of the Quincy Fire and Police Departments. Testing is a major part of the Commission's functionality and the budget is reflective of that.

The entry level testing process for both the Fire and Police Departments begin with written and agility tests and candidates eventually progress through polygraph and psychological tests and, finally, the physical exam. On the promotional level, testing costs include written tests and assessments by Illinois Chiefs' Associations. The Board of Fire and Police Commissioner's is committed to hiring and promoting the best qualified candidates and utilizes these objective testing processes to aid in the selection of such individuals. Another substantial associated cost is advertising the entry-level testing. Although the Board advertises in area newspapers costs generally increase year to year.

In summary, the bulk of the budget submitted by the Board of Fire and Police Commissioners is directly related to the testing and hiring process.

The General Fund transfers out money on a regular basis. These transfers fall into three categories:

- 1) Subsidies to other City Departments to make up the shortage between their revenues and expenditures.
- 2) Subsidies to outside organizations, including the City's component unit, Woodland Cemetery.
- 3)Transfers of tax dollars collected that are owed to or have been levied for another entity (Library).

The Inter-fund transfers are down over \$1.5 million, due to the transfer of one million last year to the cash reserve fund. Excluding the cash reserve transfer, interfund transfers are down \$430,000. This budget includes additional one-time funding for Woodland Cemetery; this additional one-time disbursement of \$29,700 is allocated for head-stone resetting and equipment purchases/repair. The tax disbtributions are up approximately \$51,000. The Quincy Public Library increased by \$36,000 (or 2%) to \$1,845,617. The property tax levy funds \$732,045 of this; PPRT distrubtions and city subsidy make up the difference.

The Department of Information Technology (DoIT) provides technology leadership for the City of Quincy, including governance, architecture, resources, and expertise in deploying modern information technologies to improve government efficiency.

DolT is responsible for much of the technical infrastructure that makes city government run; telephones, radios, computer networks, desktop and server support, data center, web site, building and information security, INET and the municipal cable television channel.

DolT supports all city entities including public safety, Utilities, Central Services and Quincy Municipal Airport. DolT also supports all computer and network services for the Quincy Public Library.

GOALS/OBJECTIVES

- Update and implement new information security controls in order to proect the City's computer systems and data.
- Work with Quincy Police Department on be Adams County jail layout.
- Enhance City's GIS Initiative, including cloud mapping capabilities for mobile users.
- · Redevelop the City's Disaster Recovery strategy.
- Implement new Criminal Justice Information Security and HIPPA guidelines including two-factor authentication
- · Provide business strategies and process management to enhance City operational efficiencies

PAST FISCAL YEAR HIGHLIGHTS

- Replaced 20 Computer systems that were over 8 years old.
- Developed new processes for Utility billing clerks.
- Implementation of new QFD laptops and software in order to help firefighters more efficient in the field.
- Implementation of security software in hopes of detecting and neutralizing any security threats.

BUDGET SUMMARY

The information Technology has requested a flat budget for FY 2017-2018 even though the City's telecommunication circuits with AT&T have risen over 15% this past year.

Quincy Police Department Organizational Chart FY 2017

Revised 3/7/2016

The Police Department operating budget is divided into seven divisions as follows: 2110 Administration: Management of all employees and programs of the department. These positions include: Chief of Police, Deputy Chief of Administration, and Administrative Services Sergeant.

2111 Civilian: Functions to support the operations: records, purchasing, payroll. These positions include the staff of the following offices: the Chiefs' Administrative Suite, Central Records, Traffic analysis/Fleet and the Pro-Act Unit

2112 Patrol: Responsible for carrying out the policing operations of the department. These positions include: Deputy Chief of Operations, Patrol and Detective Commanders, Patrol and Detective Sergeants, and officers of the Patrol Officer rank regardless of their assignment

2113 Training: Costs for the training of the employees of the Patrol Division. This division has no staff

2115 Evidence Tech: Responsible for the evidence collection and storage function of the department. These positions include: Crime Scene Technician and PT Evidence Custodian

2116 Humane Officers: Includes Animal Control Program for the department, as well as the costs of the Quincy Animal Shelter contract. Animal Control Officer

2117 Auxiliary: Functions to account for the Quincy Police Auxiliary Unit of the department (unpaid volunteers who receive an annual one-time stipend to be used for equipment).

GOALS/OBJECTIVES

- Restore vacant Clerk/Typist position in Central Records.
- Reduce civilian overtime and enhance efficiency of records function through above.
- · Implement Lexipol Program to update policies and fill void of eliminated Planning and Research Officer.
- · Continue working towards implementation of QTAP.
- · Continue implementation of DigiTicket.
- Replace failing AED's (year four of a four year project). (Element 50)
- · Continue adapting recruitment and internship programs.
- · Continue test of body cameras (grant and donation funding only).
- · Upgrade patrol rifles with lights and optics.
- Expand the police motorcyle program to get better use of the motorcycles.
- Send a lieutenant to Northwestern University School of Police Staff and Command.

PAST FISCAL YEAR HIGHLIGHTS

- YTD: Responded to more than 31,752 calls for service, 1655 traffic crashes, and conducted 4,984 vehicle stops
- YTD: Provided more than 10,291 hours of officer training and provided more than 350 hours of DARE instruction.
- Worked towards implementing QTAP.
- · Replaced failing pistol lights (year three of a three year project).
- Replaced failing AED's (year three of a four year project).
- · Continued testing body cameras.
- Enhanced the departments firearms training program.
- · Assessed the Power Shift and continued it for another year.
- Increased sworn staffing from 72 to 73.
- Eliminated the sworn position of Traffic Analysis/Fleet manager, replacing it with civilian
- · Implemented Lateral Entry Program.
- · Enhanced sworn officer recruiting.
- Hired and trained 11 new police officers.

BUDGET SUMMARY

The FY 2018 Police budget is up \$591,177 (5.24%) over current budget. It is up \$941,366 (8.60%) from our current year projections. The Proposed Budget is 92.49% personnel costs. The overall 5.24% increase is made up as follows: Salaries - \$251,185 increase due to annual raises and the replacement typist, Benefits - \$371,656 up due to pension increase and replacement typist. Contractual Services - \$14,735 decrease due to reduction in MICA. Commodities - \$11,019 decrease, Capital Outlay - \$6,375 decrease (\$4,900 is budgeted to buy replacement AED's and squad car printers). Miscellaneous - \$465 increase.

Quincy Fire Department Organizational Chart

The Fire Department is budgetarily broken down into six different divisions. They are as follows:

- 2210 Administrative Division This contains the salaries and expenses associated with the positions of Fire Chief and Deputy Chief of Operations
- 2211 Civilian Division This contains the salaries and expenses associated with the two civilian positions within the department, the Administrative Director and the Administrative Assistant.
- Suppression Division This contains the salaries and expenses associated with the individuals assigned to suppression activities. Additionally, this division houses all of the costs associated with equipment and apparatus needed to conduct suppression activities.
- Fire Prevention Division This contains the expenses associated with code enforcement activities of the department.
- 2214 Training Division This contains the salary of the Deputy Chief of Administration as well as expenses associated with training all personnel.
- 2215 Building Maintenance Division This contains the expenses associated with maintaining all five of the Quincy Fire Department Stations.

GOALS/OBJECTIVES

- Maintain a level of service that maximizes every available dollar to ensure the best possible fire
 protection for the citizens of Quincy.
- This year's budget for the fire department is based upon maintaining a manning level of 60 sworn officers and 2 civilian support staff. The budget will support operations that maintain 5 stations, 7 pumpers, 1 heavy rescue unit and 1 aerial platform unit. Additionally, there is a variety of vehicles that are maintained to support special operations of the department.
- To replace positions vacated due to retirement with individuals on the curent fire department hiring list
- Work toward implementation of a tracking program to monitor required compliance on fire suppression and fire monitoring systems. This program would utilize a third party vendor.

PAST FISCAL YEAR HIGHLIGHTS

- Re-opened Station #6, located at 24th and Cedar, in July of the year
- Implemented a program that installed mobile data terminals on all front line apparatus and utilized the Firehouse Mobile Response software program.
- Entered into an agreement with the Tri-Township Fire Department for automatic mutual aid. This agreement allowed for one Quincy unit to respond into their district and one Tri-Township unit to respond into Engine 3's district for all reported structure fires in those areas.

BUDGET SUMMARY

The proposed budget accounts for increases as directed by Administration for non-union personnel at 2-1/2% and for union personnel at 2%. The budget also includes the required increases needed to meet the increased pension obligations for the year.

The department anitcipates three retirements this year and the budget figures are reflective of the costs of retirement buy-outs, training costs for replacement firefighters and the purchase of required protective equipment as well.

The department has applied for an Assistance to Firefighters Grant in the hopes of securing 90% of the costs necessary to replace the current fleet of Self-Contained Breathing Apparatus (SCBA). If awarded, the department would be required to provide 10% in matching funds for the grant (\$29,000). The budget reflects the inclusion of those dollars.

There is an increase in the fleet maintenance dollars in this year's budget as Engine #6 is in need of a new water tank and has some rust issues that need to be addressed. These costs are estimated to be about \$15,000.

(summary continued on next page)

The City's Captial budget includes monies dedicated toward the County-wide upgrading of the emergency servies radio infrastructure. Quincy Fire is working with Quincy Police in the process to ensure that the proposed system will meet the needs of both departments. Adams County Emergency Management is taking the lead on the project with 1/3 of the funding being provided by the City of Quincy.

The department is planning on replacing our travel vehicle, a 2007 Ford Taurus. There are currently some dollars in the vehicle replacement fund for this purchase. The department hopes to utilize donations from Foreign Fire Tax to provide any funding needed above current dollars on hand and the monies collected from the sale and/or trade of the current vehicle.

^{**} Note: Left side of chart represents positions paid by the Utilities Department, but under the direction of the Director of Central Services

The Engineering Department is responsible for the administration of public improvements within the City of Quincy. The Department duties include planning, estimating project costs, and designing & supervising construction of public infrastructure, such as water mains, sewer mains, streets, alleys and traffic control devices; review and evaluate proposed subdivisions and site plans for private construction; maintain traffic control devices within the City; maintain three (3) City-owned landfills; maintain City-owned parking lots; maintain the Amtrak station; and issue permits for excavations and improvements on City right-of-way.

GOALS/OBJECTIVES

The Engineering Department has set the following goals for the upcoming fiscal year:

- · Work with the IT Department to update & improve utility infrastructure mapping through GIS
- Implement pavement management program for City streets
- Increase productivity of engineering department with respect to preparation of construction documents for public improvements

PAST FISCAL YEAR ACCOMPLISHMENTS

In the previous fiscal year, the Engineering Department:

- Designed and managed the rehabilitation of local streets totaling over \$1.8 million in construction, saving the city approximately \$150k compared to hiring a consulting engineer
- Designed various improvement projects for the City's water & sewer infrastructure totaling over \$1 million in construction, saving the city approximately \$100k compared to hiring a consulting engineer
- · Implemented operating procedures at Landfill #4 to reduce future operating and remediation costs

BUDGET SUMMARY

The proposed budget is down \$46,322 which represents a 3.56 percent decrease from the previous year budget. The budget decrease is possible largely due to a reduction in employee wages and benefits as a result of the retirement of long-tenured employee and the sharing of the Engineering Technicians with the Central Services department outside of the construction season. The only major increase in expenditures is a proposed increase in consulting engineering services to support the five-year capital plan. Use of a consulting engineer is required to prepare the topographic surveys that the Engineering Department requires to design street improvements.

The Cash Reserve Fund was created in FY 2002 as a "rainy day" fund. The intended purpose of having the reserve is to cover unforeseen expenses or to replace unexpected revenue shortfall. The current reserve balance is \$3.3 million which represents just under 10% of the FY 2018 General Fund expenditures.

The Department of Planning and Development is comprised of two offices. Each office contributes to the development of the city and helps enhance the quality of life for its residents and businesses.

The Planning Office plans for short and long-range land use and development, leads economic development activities, and regulates land development activity. The office coordinates development plan reviews with other city departments and administers the Enterprise Zone, Tax Increment Finance Districts, and Economic Development Loan programs. It also administers grants for housing and transit services. The office provides staff support to seven City commissions or committees.

The Inspection Office enforces and administers zoning, building and property maintenance sections of the Municipal Code. Inspections are based upon construction benchmarks and building code standards. The office's responsibilities include building, electrical, plumbing, and sign permit reviews, field inspections, and approvals. Inspection staff consults with the public, property owners and developers on proposed building projects and construction standards. Enforcement activities include code violation investigations, minimum housing, and nuisance abatement.

GOALS/OBJECTIVES

- · Update city's zoning regulations.
- Implement Emerald Ash Bore Management Plan Treatment and removal of ash trees.
- · Adopt new building codes and fee schedule.
- Develop Rental Occupancy inspection program
- Support Citywide Strategic Planning Program, and Downtown Rental Rehab Program.
- Secure IHDA (SFOR) grant for seniors.

PAST FISCAL YEAR HIGHLIGHTS

- Quincy Mall/Cullinan sale and renovation of JCP space .
- Infrastructure grant for Kohl's Wholesale new Illinois 57 warehouse.
- Secured \$245,265 IDOT infrastructure grant to rebuild York Street Front to 2nd.
- New City parking lot identification signs per City Downtown Wayfinding Program.
- New ADM \$43 million Animal Nutrition plant.
- Closeout Federal Neighborhood Stabilization Program (NSP).
- Council approved Strategic Plan Program and secured \$55,000 in funding from community partners.

BUDGET SUMMARY

Revenues are down \$135,508 compared to the FY 16/17 Revised Budget. The FY 17 revenues were inflated for the one-time Strategic Plan Funding (supplemental revenue of \$120,000) We project a slight decline of \$24,200 in permit fees. In FY 2017 Enterprise zone permit revenues were able to make up for the permit fees decline. The Strategic Plan \$155,000 project cost is in this budget. In FY 2017 we recieved \$112,120 of the strategic plan funding and paid out only \$38,750; therefore we have \$73,370 in fund balance available. The remaining Strategic Plan Funding of \$42,880 is from Matching funding (\$30,000) and from the Economic Dev RLF(\$12,880). This will cover the remaining \$116,250 in expenses in this year's proposed budget.

Expenditures of \$946,197 are down 6.18% or \$62,282 to the FY 16/17 revised budget of \$1,008,479. Planned expenses in landfill and demolitions were reduced from \$78,000 to \$42,000 based on FY 16/17 expenditures. Capital Outlay for both Planning and Inspections include new monitors, office chairs and file cabinets. General Fund operating subsidy is proposed at \$448,666 (down \$23,243 or nearly 5%) from FY16/17 budget of \$471,909. Staffing levels are not changing.

Quincy/Adams County 9-1-1 Center is an inter-governmental agency of both City of Quincy and the Adams County. The oversight authority is the City of Quincy and Adams County 9-1-1 Communications Systems Governing Board that consists of eleven members: three city alderman, three county board members, Quincy Police Chief, Quincy Fire Chief, Adams County Sheriff, Adams County Ambulance Director, and the Secretary of the Adams County Rural Fire Protection District Association. City of Quincy Alderman Mike Farha is the current 9-11 Governing Board Chairman. The 9-1-1 Director is the chief executive for Quincy/Adams County 9-1-1 System and reports directly to the 9-1-1 Governing Board. The 9-1-1 Director also functions as a department head in both the city and county governments. Funding is provided by the City of Quincy at 60% and Adams County at 40%.

GOALS/OBJECTIVES

It is the objective of the Quincy/Adams County 9-1-1 Communication Center Public Safety Answering Point (PSAP) to provide the citizens of the City of Quincy and Adams County with the most efficient emergency communications possible.

Center Philosophy. The Quincy/Adams County 9-1-1 Communication Center is a cooperative effort by public safety emergency service agencies including the Quincy Police Department, the Quincy Fire Department, Adams County Rural Fire Departments, the Adams County Ambulance and Emergency Service, and the Adams County Sheriff's Department. In public safety dispatching, the immediacy of many incidents cannot be overemphasized. Speedy communications can mean the difference between capturing a suspect and letting him get away, preventing a major fire and letting one escalate, or even life and death. Further, accuracy in communication is of utmost importance. Achievement of both speed and accuracy is the mark of successful public safety dispatching.

Goals. There are two primary goals for effective and efficient 9-1-1 dispatching:

- To provide 24-hour per day availability for receiving 9-1-1 and other public safety calls and dispatching law enforcement, fire protection, and emergency medical and ambulance services as needed.
- To provide an effective and efficient system that processes incoming calls and, as necessary, dispatch response units in an accurate and speedy manner.

These goals emphasize the need for emergency communications to be available to callers at all times, day or night, throughout the year, and to focus on two essential features of dispatching: doing the job well and doing it quickly.

PAST FISCAL YEAR HIGHLIGHTS

The 9-1-1 Director position was moved from the 9-1-1 Fund 202 to the 9-1-1 Surcharge Fund 204 in December 2016. The FY 2017 budget only reflects about 40% of the annual salary. The 9-1-1 board recommeded that the 9-1-1 non-union employees start to contribute 15% towards health insurance and were given raises to offset the additional employee burden.

The Housing Resource Fund is used to fund Housing development projects when other grant sources are not available. The main source of revenue is the administrative cost share from housing grants. The Housing grants vary and are not always closed out annually, so revenue/expenses fluctuate by year. These funds are also used to loan other housing funds to cover contractor payments, etc. pending reciept of reimbursement.

The Quincy/Adams County 9-1-1 Governing Board also receives monthly revenue from the Illinois State 9-1-1 surcharge for Fund 204. Fund 204 earmarks a portion for operating expenses; the balance of the revenue is allotted for capital savings for capital equipment purchases in accordance with the 9-1-1 Governing Board's long-range Capital Equipment Replacement Plan.

GOALS/OBJECTIVES

To continue to allocate surcharge funding for capital projects

PAST FISCAL YEAR HIGHLIGHTS

The 9-1-1 Director position was moved from the 9-1-1 Fund 202 to this fund in December 2016. The FY 2017 budget only reflects about 40% of the annual salary.

BUDGET SUMMARY

The \$1.3 million in capital outlay is planned as follows: \$700,000 for radio infrastructure, \$9,000 for office equipment, \$317,000 contingency. (9-1-1 center's contribution to the new city/county 9-1-1 radio infrastructure)

The Franchise Fee "Green Energy" Fund was created in FY 2012 following passage of a resolution on March 7, 2011. The Ameren Illinois electric and gas franchise fees are the source of revenue for this fund. The franchise revenues may be used as follows: 1) To fund utility costs that were once considered "utility credits" 2) use 50% of the balance to fund energy efficiency related improvements to city facilities and 3) use 50% of the balance to pay down the city hall's HVAC debt, fund city pension liabilities, and pay down other city bond indebtedness.

GOALS/OBJECTIVES

In FY 2018, the fund will transfer \$398,667 to the General Fund: \$52,511 for lost utility credits, \$173,078 to Fire Pension and \$173,068 to Police Pension. In addition, \$23,000 will be transferred to the 2013B HVAC debt service fund to pay for the city hall HVAC improvement.

PAST FISCAL YEAR HIGHLIGHTS

During FY 2017, the Franchise Fee "Green Energy" funds addition, the Green Energy funds transferred \$330,738 towards the police/fire pensions, transferred \$52,511 to General Fund for utility credit, and transferred \$23,000 to the HVAC debt service fund.

The City expects to receive \$1,048,000 in Motor Fuel Tax (MFT) Funds to be used for street maintenance, street repair and construction material. Major annual MFT Projects include asphalt resurfacing, chip seal resurfacing and pavement crack sealing. Reconstruction of street intersections and major street sections are also funded by MFT Funds.

PURPOSE

Quincy Transit Lines (QTL) has 8 fixed route buses Monday through Friday which cover the entire City of Quincy. Fixed route service also operates on Saturday, Sunday and Holidays with 2 routes. QTL provides paratransit services 7 days per week and on holidays. Monday through Friday we operate 4 para-transit buses and on Saturday, Sunday and Holidays we operate 1 bus. In addition to these operations we also provide Senior Transportation using 4 vans Monday through Friday. QTL also has several contracts with local non-profits to assist them in their need for transportation.

GOALS/OBJECTIVES

• For the past several years we have been working towards expanding services into the full county. This effort continues to be thwarted by the lack of State of Illinois budget and the uncertainty that goes along with this. We would still like to move gradually into the county using buses we have retained for use.

PAST FISCAL YEAR HIGHLIGHTS

- Year to date ridership is up over 13%.
- Services have been extended further into the county but not the full county.

BUDGET SUMMARY

The proposed budget includes \$533,450.00 in Capital spending. This is accounted for in anticipation of a grant award from the State of Illinois. This grant was awarded in 2014 and has yet to be funded in a State Capital budget. IDOT has again said they are waiting for the Grant to be funded. This budget includes \$10,000 in Capital outlay/Machinery & Equipment to replace the current power washer we use for Transit if the Grant does not come through. Additionally, there is \$2,220 in the controllable asset account. This is budgeted for potential upgrades to the current computer equipment and program for dispatching. This totols \$545,670 and accounts for the majority of the \$702,948 increase in the budget. The remainder of the increase is accounted for in expenses and compensation.

PURPOSE

The Capital Projects Fund is the main fund for major city projects and infrastructure improvements. The revenue source for these projects is Home Rule Sales Tax. Each year a percentage of home rule sales tax is allocated to Capital. For FY 2018, 25% of Home Rule Sales Tax will be allocated to capital which is the same percentage split as FY 2017.

GOALS/OBJECTIVES

- \$650,000 Public Safety Radio Communication
- \$525,000 to Ward Funds
- \$190,000 Aiport infrastructure
- \$95,000 Bond debt service
- \$70,000 for Ward clean up
- \$100,000 Central Garage Hoist

- \$250,000 Central Services subsidy
- \$134,000 for four new Police Vehicles
- \$60,000 for 42nd Street ROW & construction
- \$50,000 for IT network infrastructure
- \$50,000 for Central Garage service truck
- \$50,000 for Concrete dept skid steer

PAST FISCAL YEAR HIGHLIGHTS

In FY2017, over \$1.7 million was allocated to enhancement funds and ward funds. Other items funded through capital projects fund were Police Cars, funding to reopen fire station #6, transfer of funds to airport for new truck, work at Landfill #4, city hall video surveillance, access security, and other IT network equipment.

The Arts Corridor Capital Projects fund was established in 1998 with \$30,000 of private funds and \$50,000 Rotary Challange grant for the Arts Corridor improvement. The funds have been used to fund projects such as:

- Relocating John Wood Statue to south west corner of Washington Park
- · Moments of the Cross Road Sculpture
- Washington Theatre Feasibility Study
- Masonry work at Quincy Society of Fine Arts
- Downtown Building Murals
- Other Downtown Art/Beautification projects

The Sanitation Connection Fee Fund was created prior to the 1960s to hold all sewer connection fees for permits for permissies not within the corporate boundaries of the City of Quincy. These fees are held in a separate fund for the purpose of being used for future expansion of city sewer infrastructure. In FY 2018 we plan to spend \$350,000 to extend sewer at 36th & Harrison to serve development southeast of the intersection and \$130,000 for the Spring Lake lift station.

The Special Capital Projects Fund was created in FY 2000 to track special capital projects and is now essentially the operating fund for the Washington Theatre. All project costs related the Washington Theatre are tracked seperately within this fund to make sure revenues are sufficient to cover expenses.

Revenues are generated from two tenants: Heimer Accounting and Elite Dance Studio. The expenses of the fund include basic maintenance, utilities, and taxes.

The Sewer Equipment Replacement Fund was created to hold funds for the specific purpose of replacing sewer equipment. Some of the past expenses have included:

- \$584,000 for WWTP jet aeration retrofit (FY 2000-FY 2001)
- \$48,000 for a new electrical control panel on primary clarifier (FY 2003-2004)
- -\$93,000 for replacement/installation of gorman rupp pumps at WWTP (FY 2007)
- \$48,000 to replace hoffman blower at WWTP (FY 2010)
- \$43,000 to replace electric motor on highwater pump, clarifier valves (FY 2011)
- \$20,000 to replace a solids handling pump (FY 2012)
- \$59,000 to replace clarifier drive assembly (FY 2013)

In FY 2018, we are planning \$130,000 for a vactor truck replacement and \$35,000 for the Spring Lake Estates Lift Station,

The QMEA Capital Reserve Fund was created to use excess hotel/motel tax collections for capital needs at the Oakley-Lindsey Center. Previously, the OLC received operational funds up to \$500,000 of the net disbursement. The excess collections up to \$40,000 was transferred to this fund for future capital needs. In FY 2015, the agreement was changed allowing the OLC to increase the maximum limit of disbursements from \$500,000 to \$750,000. This new agreement included the OLC forfeiture of these funds to the City of Quincy and also changed the distribution method to allow for any net distribution in excess of \$750,000 to allocate the next \$20,000 to this Capital Reserve Fund.

FUND 406 2013B HVAC PROJECT PAYMENT FUND

SUMMARY

PURPOSE

The City Hall HVAC upgrade expense was previously part of the General Fund - Building Maintenance division debt service (as it was originally a \$1.295M lease). After the loan was refinanced in April 2013, the auditor's recommended this to be included with the Debt Service Funds. The General Fund and the Green Energy Fund both transfer funds sufficient to make the payments on the HVAC upgrade. This \$907,000 note was refinanced in April 2013, with final payment April 2020.

FUND 409 2005 G/O BOND FUND

SUMMARY

PURPOSE

The 2015A G/O Refunding Bonds were issued to refund the 2005A Ref Bonds which were issued to refund all of Series 2000 and portions of Series 1998 and 1999. The 2015 refinance was set to put all savings of approximately \$200K in the 2016 levy collected in FY 2017. The final payment on these bonds will be FY 2020. The Utilities department transfers about \$108,000 towards the debt which is abated during levy.

FUND 412 2009C LIBRARY G/O FUND

SUMMARY

The Series 2009C Library G/O Bonds (\$5,533,000) were issued to finance improvements to the Quincy Public Library. The bond issue qualified as a Build America Bonds and qualifies for a stimulus rebate. The remaining is levied by the City of Quincy and funded through property taxes. The final payment will be made FY 2029.

The Series 2014 G/O Note was issued December 2014 (Ord 2014-32) in the amount of \$973,518. The debt was issued to purchase three garbage trucks and two recycle trucks. Central Services fund 602 transfers the funds to make debt payments.

The FY 2017 budget includes an additional transfer from the Central Service fund in the amount of \$149,513 which represents one additional annual payment of principal to be applied to the outstanding balance. This additional transfer is based on revenues hitting targets for the fiscal year.

The Series 2017 G/O Note was issued February 2017 (Ord 2017- 7) in the amount of \$4,240,753. The debt was issued to fund the Adams County public safety building in exchange for a 20-year lease allowing the Quincy Police Department to relocate and occupy the new space for 20 years. The debt was structured as interest only payments for the first three years (FY 2018-FY 2020) followed by seven years of principal and interest with final payment due December, 2026 - FY 2027. The FY 2018 budget includes a transfer from the Capital Projects Fund 301 fund in the amount of \$94,000. The interest payments will be transferred from internal sources until FY 2021 when the debt service will be placed on the tax levy.

^{**} Note: Left side of chart represents positions paid by the Utilities Department, but under the direction of the Director of Central Services

The Water Department is responsible for the treatment, storage and distribution of potable water to residential, commercial, industrial and other users, as well as the financial management of the water utility. The Water Department is funded by user charges for water service, which charges include fixed quarterly meter charges, fire protection charges and other miscellaneous charges; and metered consumption charges. As an enterprise fund, the fund is expected to be self-sufficient and revenues for services rendered should fund all expenses associated with the maintenance and administration of the water utility.

GOALS/OBJECTIVES

The Utilities Department has set the following goals for FY18:

- Continue major capital improvement program at the water treatment plant and pump stations to improve reliability and reduce operating labor
- · Reduce water losses through a leak detection and repair program
- · Reduce water losses through a commercial meter replacement program
- Reduce operating expenses through improved process control

The proposed budget of \$11.2 million is a 30% increase from the previous budget. This increase is due to a \$3 million increase in capital outlays in the coming fiscal year.

PAST FISCAL YEAR HIGHLIGHTS

In the previous fiscal, the Water Enterprise Fund:

- Had a net operating profit projected to be in excess of \$800K (13% of operating revenues)
- Invested more than \$2.5 million in capital improvements in the public water supply
- · Cut operating expenses through the automated application of treatment chemicals

BUDGET SUMMARY

Revenue projections for FY18 are based upon revenues generated in the preceding fiscal year. The volume of water sold in FY18 is not expected to vary appreciably from the preceding year. Operating revenues for FY18 are projected to be \$6.0 million. Operating expenses, excluding debt service and capital improvements, are projected to be \$5.58 million, which will result in a net operating income of approximately \$420k in FY18. Operating expenses are projected to be flat compared to FY17 expenses.

A total capital expense budget of \$5.58 million is proposed. Proposed capital improvements include:

- Construction of a new solids contact clarifier at the WTP (\$2.7 million)
- Replacement of electrical switchgear & motor controls at the WTP (\$1.4 million)
- Rehabilitation of the Chestnut Pump Station (\$1.2 million)
- Water main extensions and replacements (\$850k)
- Vehicle and equipment replacement (\$285k)

A low interest loan through the Illinois EPA is proposed to fund the WTP and pumping station improvement. Current interest rate through this program is 1.64%, with a maximum 20 year term. Annual debt service on \$5.25 million loan through this program would be roughly \$310,000, which would not begin until FY19. Cash reserves and operating profits totaling \$1.14 million will be used to fund the balance of capital projects. With a projected beginning cash reserve of \$3.80 million on May 1, 2017, the cash reserve balance on April 30, 2018 is projected to be approximately \$2.43 million.

The Sewer Department is responsible for the collection, treatment and disposal of sanitary and combined (sanitary + storm water) sewage generated in areas served by public sewers, as well as the financial management of the sewer utility. The Sewer Department is funded by user charges for sewer service, which charges are based upon metered water consumption. As an enterprise fund, the fund is expected to be self-sufficient and revenues for services rendered should fund all expenses associated with the maintenance and administration of the sewer utility.

GOALS/OBJECTIVES

The Utilities Department has set the following goals for FY18:

- Submit the CSO Long Term Control Plan to satisfy EPA mandate and to plan for long term sewer replacement.
- Exted trunk sewer east of 36th and Harrison to permit additional development
- Replace the wet weather pumping system and secondary clarifiers at the WWTP
- Replace the activated sludge aeration system at the WWTP to improve performance and reduce energy expenses
- Replace the grit collection system to reduce wear on equipment and lower disposal expenses

The proposed budget is a \$7.62 million increase over projected actual expenses for FY17. The increased cost is largely due to a \$7.20 million increase in capital spending for FY18.

PAST FISCAL YEAR HIGHLIGHTS

In the past fiscal year, the Sewer Enterprise Fund:

- Had net operating profit projected to be \$621,000
- Invested over \$1.3 million in capital improvements to the wasterwater collection & treatment systems
- Added SCADA to WWTP and CSO structures to provide remote monitoring and alarms for unattended operation of these facilities.

BUDGET SUMMARY

Revenue projections for FY18 are based upon billed units of sewer usage for the previous fiscal year, with little variation expected. Operating revenues for FY18 are projected to be \$4.5 million. Operating expenses, excluding debt service and capital improvements, are projected to be \$4.49 million.

A total capital expense budget of \$8.80 million is proposed. Capital improvements include the following projects:

- Rollover of wet weather screw pumps replacement project (\$1.67 million)
- Rollover of the secondary clarifier replacement project \$0.53 million)
- Replacement of the WWTP activated sludge aeration system (\$2.60 million)
- Replacement of the WWTP primary clarification system (\$1.10 million)
- Replacement of the WWTP grit removal system (\$2.50 million)
- Replacement and extension of sewer pipes and appurtenances (\$0.35 million)
- Purchase of a new sewer maintenance service truck (\$40k)

A low interest loan through the Illinois EPA is proposed to fund the WTP and pumping station improvement. Current interest rate through this program is 1.75%, with a maximum 20 year term. Annual debt service on a \$6.2 million loan through this program would be roughly \$370,000, which would not begin until FY19. Cash reserves and operating profits totaling \$2.73 million will be used to fund the balance of capital projects and the operating loss. With a projected beginning cash reserve balance of \$3.1 million on May 1, 2017, the cash reserve balance on April 30, 2018 is projected to be approximately \$376,000.

The Quincy Regional Airport-Baldwin Field is owned and operated by the City of Quincy. The purpose is to provide a safe and secure infrastructure for air travel that supports our local economic, personal, and recreational travelers. The airfield is open and available 24 hours per day, 365 days per year for general aviation; with the exception of any severe weather event that inhibits runways. Baldwin Field hosts its own snow removal capabilities and supports an ARFF apparatus specialized for aviation response. The commercial operations are a partnership with Cape Air who offers 72 essential air service routes a week to and from St. Louis, MO. The number of commercial passengers to and from Quincy Regional airport totals more than 23,000 annually. The main passenger terminal is open every day of the year approximately 16 hours a day. The private aviation side of our airfield houses more than 50 aircraft. Our general aviation sector provides long range travel needs for the business leaders of our community that supports the growth and development of our city's local economy. The City maintains all the city-owned buildings and infrastructure on the 1,100-acre facility, performs upkeep on over 1,000 visual indicators, and meets all scheduled Part 139 requirements of airfield systems. Quincy Regional Airport's impact to our economy was measured in 2012 and labeled as \$13.8 million dollars.

GOALS/OBJECTIVES

- · Provide safety and security for aviation operations
- Meet and exceed FAA part 139 requirements and TSA 49CFR 1542 regulations

Projects for 2018:

- As part of the Wildlife Mitigation measures, fence skirting will be installed around the entire perimeter of the airport. This has been another major concern for the FAA. Project Funding is 90% Federal, 5% State and 5% Local. Total Project cost \$1,055,796.
- Taxiway E needs to have paint removed and reapplied; our staff will not be able to complete this type of project because we do not have the right type of equipment; it will need to be completed by a contractor in order to comply with FAA regulations. Total projected cost \$28,170.
- Pavement issues will need to be addressed to meet 139 standards.
- Runway 13/31 rehabilitation
- Taxilane Reconstruction

PAST FISCAL YEAR HIGHLIGHTS

• Runway 4/22 repainted

- Purchased new Ford F250 extended cab truck
- Taxiway D realignment completed
- Taxiway A repair completed

BUDGET SUMMARY

The proposed budget for Quincy Regional Airport is an increase of \$139,318 over FY 2017 budget. One of the major challenges at the airport is the maintenance and improvement of a depreciating facility and aging infrastructure. One of the major concerns the FAA has had with the airport over the past several years is the maintenance and repair of the airfield. There are several areas on runways in need of repair due to the condition of the pavement. This will be addressed in the coming fiscal year by pavement rehabilitation and pavement tarring and crack sealing. There is \$25,000 in capital outlay to purchase a new mower.

The Airport's PFC Fund collects passenger facility charge fees from airline ticket sales. The airport typically receives \$4.50 per ticketed passenger that originates from our airport. We also receive smaller amounts from other airlines as well which are very difficult to calculate so we do not include them here. These funds are used to cover the local share of capital improvement projects from state or federal grants as the fund balance allows.

The Airport Hangar Fund collects lease revenues from tenants to cover current loan payments. The current goal of this fund is to finance the construction of new T-hangars with fees collected from airport users to avoid any expenditure of city funds to build new hangars. A continuous cycle of funding replacement and repair cost on city owned structures will help ensure a viable airport for growth and development.

The Quincy Regional Barge Dock is owned by the City of Quincy and has been operated by the City since May of 2000. The fund generates revenue based on charges per ton for all barges unloaded at our dock. Engineering Staff oversees Barge Dock operations.

GOALS/OBJECTIVES

- Achieve more income thru increased barge traffic
- Consider increasing dock fees by 10 cents a ton
- · Keep parking drive up with gravel

Totals

· Capital outlay to replace manual access gate with automated slide gate to increase security

PAST FISCAL YEAR HIGHLIGHTS

The Quincy Regional Training Facility will begin its 12th year of operation in May of 2017. The facility continues to be used by emergency services organizations in and around the Quincy Area. It is the site for the annual Fire College which is hosted over a two day period in March. Additionally, the facility was used by the Adams County Ambulance Service, Tri-Township Fire Department, John Wood Community College, Adams County Sheriff and the Illinois State Police. The drill grounds are used on a constant basis and provide excellent access to hands-on training that is not otherwise easily secured.

The budget again includes dollars that are generated through a partnership with Western Illinois Univeristy (WIU). In the spring and fall semesters of each year the facility plays host to "skills days" where WIU students have a chance to put into practice concepts that have been learned in the classroom. The facility receives \$150 per day for each student that participates in this program. The program has proven to be successful and the hope is that it will continue to grow.

PAST FISCAL YEAR HIGHLIGHTS

- Conducted the 10th Annual Fire College which hosted firefighters from the tri-state area.
- Construction of a new outdoor classroom/shelter complex funded through the Foreign Fire Insurance Fire Insurance Board and built by Miles Klusmeyer as an Eagle Scout Project
- Began hosting Western Illinois University (WIU) skills days during spring and fall semesters of the school year.
- Hosted a firefighter boot camp class for volunteer firefighters, in addition to the normal course offering at the annual Fire College event.

BUDGET SUMMARY

This budget again plans for a \$10,000 grant for roof repairs on the vertical rescue prop that were not allocated as expected last year.

The Central Garage Fund provides for maintenance and repair of the entire City fleet. The City fleet consists of 300 vehicles / equipment pieces that are maintained by a staff of 6 mechanics and 1 utility person. We operate two shifts on the mechanic pool 6:00am to 2:00pm and 2:00pm to 10:00pm. Mechanics have one supervisor assigned to the garage. The fund generates revenues based upon billing labor, fuel, and parts charges to other City Departments. This fund purchases all fuel, parts, and

GOALS/OBJECTIVES

- · Start a preventative maintenance program on all trucks and equipment for more efficient operations
- · Replace old hydraulic hoist for added safety for mechanics
- · Continue to keep adequate inventory of parts for better service

PAST FISCAL YEAR HIGHLIGHTS

The garage continued to work hard to keep the Fleet on the road. Supervisors are working closely with vendors and dealerships to ensure quality parts and service.

BUDGET SUMMARY

The Central Garage budget is up \$15,130 compared to last budget. The internal revenue charges from Departments is expected to decline due to new Transit buses and other newer vehicles. The General Fund subsidy is projected to increase. The capital outlay includes costs two diagnostic tools costing \$3,000 each and one fan at \$3,000.

The Central Services Fund consists of several divisions; Administration, Forestry, Garbage, Recycling, Paint / Sign, Concrete, and Brush and compost. These divisions cover a large body of work for the entire City. Central Services is responsible for the cleanliness of the city, the repair of concrete and street issues, and the removal of trees and maintaining of Right of Way grass as well as nuisance abatement. Roadway striping and street signage are also the responsibility of this Department.

GOALS/OBJECTIVES

Central Services will continue to strive to make the service to the communitry more efficient and complete our tasks in a timely fashion. Recycling plans to get a new truck funded through the Capital Projects Fund so we can increase our revenue and reduce costs of pickup. Forestry will continue to work with Aldermen and the Tree Commission to remove unhealthy trees and trim to save healthy trees. The concrete division will concentrate on removing and replacing sidewalks that create safety hazards. We will also continue to respond to pothole and Nuisance Abatement concerns. The Street Cleaning Division is being moved the the Sewer Department.

PAST FISCAL YEAR HIGHLIGHTS

With the very mild winter we have had this year we were able to maintain a higher than average reserve of salt and have had less wear and tear on our equipment. We were able to complete the backlog of Nuisance Abatements and address the pothole situation. The Forestry Department worked with a local tree service to remove 19 ash trees that were not treated for Emerald Ash Borer disease. Central Services was able to put together an equipment auction to get rid of old and unused equipment so we could clean up the property around Central Services.

BUDGET SUMMARY

One of the major revenue sources for the Central Services fund is the garbage service and sale of recycled material. The FY 2018 budget plans for over \$976,000 to be generated through our fees, which is down \$23,480 from previous year budget. The General Fund subsidy is also down over \$190,000. The overal budgeted expenses are down due to the shift of the Street Cleaning division from Central Services Fund to the Sewer Fund. The planned capital expenditures are as follows: Admin \$1,000, Forestry \$8,000 for a mower, \$2,025 for chain saw and \$1,200 for concrete saws, Concrete \$90,000 for a wheeled loader which will also be used in forestry and for nuisances.

The Vehicle Replacement Fund was established during FY 2003. The purpose of the vehicle replacement program is for each department to set aside funds from their budget from the time a vehicle is put into service so that there is adequate funds to replace that vehicle at the end of its useful life. Nearly all city departments participated from FY 2003-2009. In FY 2010, many departments stopped participating due to budget constraints.

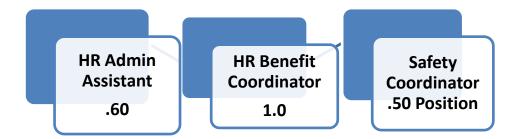

In FY 2017 these funds were used to purchase the following:

- Fire \$42,800 to replace 2002 Ford Excursion Incident Command Vehicle
- Fire \$16,000 to replace 2004 Chevy Impala Fire Chief's car

The FY 2018 budget plans for the following replacements:

- Concrete- use Street Cleaning funding \$114,750 towards purchase of new backhoe
- Fire use \$3,600 to replace 2007 Ford Taurus (will also utilize Foreign FIre Tax funds)
- Sewer Maintenance replace 2003 vactor truck (also utilize sewer equip fund 394) \$254,000
- Contingency \$200,000

PURPOSE

The Self Insurance Fund provides liability coverage for the City's workforce and all City-owned properties having an insured value in excess of \$85,000,000. The fund consists of three divisions: Administration, Risk Management, and Premiums & Benefits.

- -The Administration division, which consists of a human resources administrator, provides support function for all City departments through recruiting and employee selection, the development of employee policies and procedures, compensation and benefit administration, including the administration of five Collective Bargaining Units.
- -The Risk Management division consists of a benefits coordinator who processes worker compensation claims and liability coverage claims and a safety coordinator who investigates claims and inspects all City property for safety concerns.

GOALS/OBJECTIVES

- Research transitioning weekly payrolls to bi-weekly payrolls
- Research classification and compensation strategy and plan

PAST FISCAL YEAR HIGHLIGHTS

- Reviewed and updated job descriptions for all administrative City personnel
- · Developed performance review program and began implementation of a merit-based system

2,060,177

Evaluated current safety training program in an effort to reduce work-related injuries

The Self Insurance Fund revenues are the MICA (38-01) and Workers Compensation (21-04) charges in the other city budgets. These amounts are transferred over a four month period (May through August). The Outside Entities include Quincy Public Library, Woodland Cemetery, and Quincy Township. The City Treasurer will bill them each fiscal year for their portion.

The City's health insurance coverage is a self-funded plan administered by a Third Party Administrator and utilizes a local network for accessing discounts for health care. The funding of the plan comes from City and employee contributions. Our plan year coincides with the fiscal year.

In addition, the fund revenues are defined as premiums paid by employees, employer, retirees, and outside entities; the fund expenses are the health insurance claims and fixed costs fo the health plan.

GOALS/OBJECTIVES

- Educate employees regarding best use of benefits and health clinic options
- Review use and need of supplmental (voluntary) benefits
- · Continue to monitor effectiveness of city health clinic
- Implement at least one wellness initiative
- · Research prescription management/cost savings programs

PAST FISCAL YEAR HIGHLIGHTS

- · Continue to explore health insurance options, looking for ways to reduce costs
- · Monitored Blue Cross Blue Shield savings and discounts

BUDGET SUMMARY

There is no premium increase to the city departments; therefore revenues will remain relatively flat. The outside entity premiums are expected to decrease slightly with GREDF choosing to leave the plan. Based on past claims experience, we are planning for an increase in expenditures. The Health Clinic contract will expire and a slight increase is anticipated.

The City has established a self-funded account to pay potential unemployment claims. The funding of the plan comes from each department based on a fixed cost per employee.

GOALS/OBJECTIVES

• Maintain a fund balance that will cover possible claims

BUDGET SUMMARY

Each department with employees recognized a \$150 per head fee that is charged to Unemp Comp (22-03) These amounts are transferred into this fund for potential unemployment claims.

The Landfill Superfund was created to collect/disburse costs related to the remedial action at Landfills 2 & 3. The city entered into a Site Participation agreement in 1995 with other participating defendants to share expenses and obligations. The site participation agreement established the Quincy Landfill Remedial Design/Remedial Action "RD/RA" group. Historically, the group requests a cash call. The annual request is \$76,000; however, in FY 2013 there were two cash calls that totalled \$152,000. We have been budgeting for two cash calls; and now only plan for one.

The City Tree Board fund was established in FY 2007 when Ameren started awarding us the Tree Replacement Grant (Right Tree, Right Place). Over the past ten years, the city has recieved nearly \$40,000 in funding:

FY 2007 \$2,500 FY 2008 \$10,000 FY 2009 \$10,000 FY 2010 \$10,000 FY 2011 \$8,000 FY 2012 \$6,000 FY 2015 \$2,500

These funds are used for replanting of dead/damaged trees as well as occassional tree removal.

The Bridge Lighting Fund was created in FY 2013 to hold all the local donations for the Bridge Lighting project. IDOT granted the City a \$456,000 federal transportation enhancement grant, which requires a local match of \$124,000. The private sector to date has contributed \$174,500 towards the local match and operational costs. Klingner has done the engineering work and Brown Electric won the IDOT construction bid in 2014. The city has paid \$85,059 to IDOT towards the cost of project.

The Tourism Tax Fund recieves all City Hotel/Motel Tax revenues. These revenues are re-distributed based on the inter-governmental agreement with the Oakley-Lindsay Center.

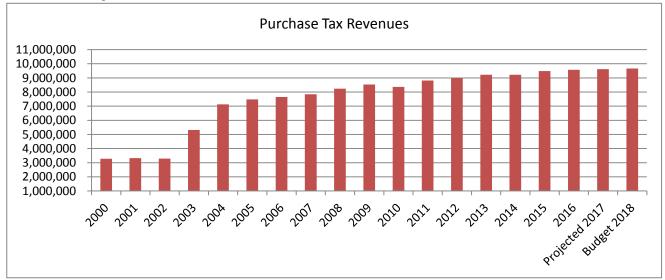

The City administers the fund and recieves a 2% administrative cost share. The amount needed for the debt repay is transferred to the appropriate debt service funds. The remaining is allowed based on the current agreement.

The Purchase Tax Fund accounts for all of the 1.5% of the home rule sales tax collected in the City. Since the City initially implemented the Purchase Tax in 1991, changes have occured over the years that have allowed for the purchase tax to be used for operational needs as well as for the original intended use of capital infrastructure and debt service.

The purchase tax rate increased from .75% to 1.5% effective June 1, 2002 (FY 2003). Each year a percentage is determined for General Fund operational and for Capital Projects. For FY 2018, the purchase tax split will be 75% General Fund and 25% Capital Projects.

The Incremental Sales Tax Fund was set up to account for the Prairie Crossing Incremental Sales Tax per agreement. Every November, February, and June the State of Illinois sends the sales tax data and we calculate the rebate to tranfer into this fund from the General Fund. All transfers are made directly to the project developer, Orix Sansone Quincy Venture Group.

Goals and Objectives

QPL will offer a variety of high-quality services and programs to the community on-site, off-site, and electronically. The Library will maintain and improve the quality of its existing programs and services while exploring potential expansion.

QPL will offer its facility as a meeting place for the community, and will maintain and improve the experiences of community members, both at the Library and in its electronic offerings.

QPL will ensure that the community and surroundings area are well informed of everything the Library has to offer, and of opportunities to become more involved in a variety of ways.

QPL will identify and promote efficiency in operations. The Library will seek appropriate financing through taxes, grants, and other sources, in order to maintain the quality and number of services and programs offered.

QPL will employ, maintain, and develop the highest quality staff available, in order to offer the best
